

- New 90-acre Industrial Park sub-division with full serviced lots available for sale or as build/lease options. Located at the entry to Slemon Park Industrial Park.
- Conceptual lots range from 3+ acres but can be re-configured to meet customer's requirements. Lot prices start at \$40,000 per acre.
- Located minutes from City of Summerside and the Confederation Bridge for easy and direct access to Route 2 highway.
- Slemon Park Corporation maintains its own sewer, water and street infrastructure for its properties and complete professional property management services are available to tenants.
- Modern telecommunications systems, broadband access, and three phase power supply.
- Strong business development partnership with municipal, provincial and federal governments and departments.
- Slemon Park Corporation operation includes commercial leasing, a private registered airport (8000 x 200 foot runway), conference centre, training facilities, 118 hotel units, restaurant, and residential housing.
- For more information, contact Shawn McCarville (902) 432-1704 or Larry Gaudet (902) 432-1716. Website address : www.slemonpark.com
