

PROVIDING AVIATION &
TRAINING SERVICES
AND FACILITIES

SUMMERSIDE AIRPORT
CYSU

Summerside Airport services private, corporate, charter, and military clients, as well as our aerospace and manufacturing tenants. Our airport complements the thriving businesses that call Slemon Park home.

- Hangar space available
- Jet A and Avgas Fuel service
- Onsite catering and accommodations
- Customs Service for CANPASS Permit holders
- Nav aids: NDB / GPS / RNAV

Summerside Airport advantages:

- A full-service FBO
- Runway: 8000 x 200 feet
- No scheduled passenger traffic, providing readily available air space for training exercises, etc.
- Low landing and facility fees
- Quick turnaround time and quality, friendly service
- 300+ VFR days per year
- Automated Weather Observation System
- Extensive ramp space
